|--------------------------|---------------------------------------|
| SKU                      | 247308                                |
| EAN                      | 9010299044921                         |
| Brand                    | THORNeco                              |
| Manufacturer Name        | LENA VARIO LED 320 1400 830/35/40 MWS |
| Any Lamp all-in warranty | 5 Years                               |
| Average Lifetime (h)     | 50000                                 |

Technical Information

|                             |                                                   |
|-----------------------------|---------------------------------------------------|
| Technology                  | LED Integrated                                    |
| Wattage                     | 15                                                |
| Voltage (V)                 | 220-240                                           |
| Dimmable                    | Not Dimmable                                      |
| Colour Code                 | 835 Warm White, 830 Warm White, 840 Cool White    |
| Colour temperature (Kelvin) | 3500 Warm White, 3000 Warm White, 4000 Cool White |
| Colour Rendering (Ra)       | 80-89                                             |
| Colour of Light             | White                                             |
| Light colour options        | CCT                                               |
| Luminous Flux (Lumen)       | 1400                                              |
| Luminous Efficacy (lm/W)    | 93                                                |
| Optical Cover               | PC (Polycarbonate)                                |

Product Type Category

LED Bulkhead

## Fixture Information

|                        |                               |
|------------------------|-------------------------------|
| Type of Fixture        | Professional                  |
| Mounting Method        | Surface                       |
| Fixture Connection     | PI [Push-in connector 3-pole] |
| IP-rating              | IP44                          |
| Impact Protection (IK) | IK04 - 0.50 joule             |
| Operating Temperature  | -20 to +40                    |
| Colour of the Fixture  | White                         |
| Colour of material     | White                         |
| Series                 | LENA VARIO                    |

## Dimensions

|               |     |
|---------------|-----|
| Diameter (mm) | 350 |
| Height (mm)   | 108 |

## Sensor Information

|                                 |                             |
|---------------------------------|-----------------------------|
| Type of sensor                  | Light Sensor, Motion Sensor |
| Sensor Detection Angle (degree) | 160                         |
| Sensor Reach (m)                | 12                          |

## Why Any-lamp?

Order from the **largest lighting specialist** in Europe

**Customised** quotation

Up to **7 years warranty**

**Easy** return process
